cent notes.

What goes most against a farmer's grain? His reaping machine. Why is life the riddle of riddles? Be-

cause we must all give it up. Why is the letter D like a naughty little boy ! It makes ma mad.

Beauty is the woman you love, whatever she may seem to others.

In reasoning, if you wish inferences that will not follow, draw them. When is a blow from a lady welcome !

When she strikes you agreeably. What is the relation of the door-mat to

the scraper? It is the step-farther.

dated Dog ?" "Why, you see, I did not Boston, Jan 1, 1807.-1y. want to say Newfoundland, because that would be fifteen dollars, so I write Dog to CASH OR READY PAY! save ten dollars.

The following is a neat hit at those dilatory people who are always behind time. Some one said to a person of this class: "I see that you belong to the three-handed Call the attention of the public to the prices at people!" "Three-handed! that's rather uncommon." "Oh, no, common enough -two hands like other people-and a litthe behind-hand!"

Mr. Jones met Mr. Smith, as he was going on board a steamer on the Mississippi, and asked, "Which way, Smith, up or down !" "That depends upon circum- DOMESTIC DRY GOODS, stances," remarked the latter: "if I get a berth over the boiler, I shall probably go up-if in the cabin, down." We have not heard from him since.

The man who imagined himself wise because he detected some typographical errors in a newspaper, has gone eastward to Ladies' Dress Buttons. Alpacea Braids, Velvet

A traveller stopped at a public house in New Hampshire for the purpose of getting dinner, knocked but received no answer. Going in, he found a little white headed man in the embrace of his wife, who had his head under her arm, while with the other she was giving her little lord a pounding. Wishing to put an end to the the fight our traveller knocked on the table, and cried out in a loud voice:

"Hallo, here! who keeps this house!" goods. 11 The husband, though much out of breath, answered:

Evils of Gossip.

I have known a country society which withered away all to nothing under the dothing and earpeting deer not of cossin only. Eriendships, once St. Johnsbury, May 3, 1866. dry rot of gossip only. Friendships, once as firm as granite, dissolved to jelly, and then can away to water, only because of DON'T FORGET THE FACT this: love, that promised a future as enduring as heaven and as stable as truth, evaporated into a morning mist, that turned to a day's long tears, only because of this: a father and a son were set foot to foot with the fiery breath of an anger that would never cool again between them, only because of this; and a husband and his young wife, each straining at the heated leash which in the beginning had been the golden bondage of a God blessed love, sat mournfully by the side of the grave the sale of the where all their love and all their joy lay buried, and only because of this. I have seen faith transformed to mean doubt. hope give place to grim despair, and charity take on itself the features of black malevolence, all because of the fell words CHEAP PLATED WARE IS TRASH. of scandal and the magic mutterings of gossip. Great crimes work great wrong, and the deeper tragedies of human life spring from its larger passions: but woeful and most mournful are the uncatalogued tragedies that issue from gossip and detraction; most mournful the shipwreck often made of noble natures and lovely MASONIC BOOKS, CHARTS, DIPLOMAS, &C. lives by the bitter winds and dead salt waters of slander. So easy to say, yet so hard to disprove-throwing on the innocent all the burden and the strain of demonstrating their innocence, and punishing Diplomas of all degrees, bound separate, or all together. them as guilty it unable to pluck out the they never hear-gossip and slander are the deadliest and the cruelest weapons paired till you have tried us. man has ever forged for his brother's hurt. | 137 Hair jewelry made to order. -All the Year Round.

HINTS ABOUT HEALTH—Sleep.—Infants cannot sleep too long; and it is a favorable symptom when they enjoy a calm and long continued rest, of which they should by no means be deprived, as this is the greatest support granted to them by nature. A child lives comparatively much faster than an adult; its blood flows more rap- | C. C. CHILDS. idly; and every stimulous operates more powerfully. Sleep promotes a more calm and uniform circulation of the blood, and GREAT EXCITEMENT facilitates assimilation of the nutriment received. The horizontal posture, likewise bodily development of the child.

and hurtful, nor is it proper to carry them from a dark room immediately into a glaring light, against a dazzling wall : for performed as usual. the sudden impression of light debilitates first of May.
